## WORDS FOR EDIFICATION.

*FACETIOUS.*

"Raindrops on the roof." Of course it drops on the roof. That's what the roof is for.—*Cincinnati Saturday Night.*

A Delaware man in Philadelphia yesterday was so closely questioned that at last he confessed, with tears in his eyes, that there would be a big peach crop.

"Do you believe in signs?" asked the shopkeeper. "Well, yes, I used to," said Fogg, "but since you placed in the window 'selling for less than cost' I have weakened considerably."

Just discovered why a woman always leaves a big margin at the head and along the side of the sheet she is writing a letter on—it is to finish her letter on.—*Kentucky State Journal.*

"I can't get up early," said a poor victim to his doctor. "Oh, yes, you can," was the reply, "if you only follow my advice. What is your hour of rising?" "Nine o'clock." "Well, get up half an hour later every day, and in the course of a month you will find yourself up at four in the morning.

"Men's night-gowns are made with pockets in them." Thus in case the wife of a man's bosom calls for a new bonnet in the dead of night, he can immediately pull out his pocket-book and furnish her with the funds. A great saving of sleep to the husbands of the land.—*New Haven Register.*

A Rochester clergyman called the other day to administer consolation to a dying man. Going into the presence of the poor sufferer, he took him by the hand, and after giving it a reassuring squeeze, said: "My dear friend, shall I meet you in heaven?" "Well," replied the dying man, as his eyes began rolling wildly and his breath came short and quick, "I guess you're likely to if you're a square man." Then he died.—*Rochester Express.*

A member of the Maine Legislature had been courting an Augusta girl all winter and had taken her to attend the sessions until she was well posted in the rules. On the last day of the session, as they came near the peanut stand by the door, he said to her: "May I offer you my handful of peanuts?" She responded promptly: "I move to amend by omitting all after the word 'hand'." He blushingly accepted the amendment, and they adopted it unanimously.

An eccentric old gentleman who had married his second wife, a hoydenish young creature, entertained a party of gentlemen one afternoon and was much chagrined by the non-appearance of his girlish spouse. Upon inquiry he ascertained that she was in the garden, and thereupon invited his guests out to be introduced to her. As they arose to accept the invitation, his son, a lad of fourteen, exclaimed: "Don't do it, dad." "Why not?" he asked, angrily. "Because," returned the boy half apologetically, "she's up a cherry tree."

*RESCUED FROM DEATH.*

William J. Coughlin, of Somerville, Mass., says: "In the fall of 1876 I was taken with BLEEDING OF THE LUNGS followed by a severe cough. I lost my appetite and flesh, and was confined to my bed. In 1877 I was admitted to the Hospital. The doctors said I had a hole in my lung as big as a half dollar. At one time a report went around that I was dead. I gave up hope, but a friend told me of DR. WILLIAM HALL'S BALSAM FOR THE LUNGS. I got a bottle, when to my surprise, I commenced to feel better, and to-day I feel better than for three years past.

I write this hoping every one afflicted with Diseased Lungs will take DR. WILLIAM HALL'S BALSAM, and be convinced that CONSUMPTION CAN BE CURED. I can positively say it has done more good than all the other medicine I have taken since my sickness.

A French judge asked a murderer what excuse he could possibly offer for his crime. "Why, judge," said the fellow, "I often heard the man say that he wanted to die suddenly."—*The Figaro.*

*A GENERAL STAMPEDE.*

Never before was there such a rush made for the Drug Stores as is now, for a Trial Bottle of Dr. King's New Discovery for Consumption, Coughs and Colds. All persons affected with Asthma, Bronchitis, Hoarseness, Severe Coughs, or any affection of the Throat and Lungs, can get a Trial Bottle of this great remedy *free*, by calling at any reliable Drug Store.

"A babe," says a writer, "is a mother's anchor." We have often heard that the first thing she does is to weigh it.

*"GOLDEN MEDICAL DISCOVERY"*

has been used with signal success in consumption of the lungs, consumptive night-sweats, spitting of blood, shortness of breath, weak lungs, coughs, bronchitis, and kindred affections of throat and chest. Sold by druggists.

In the morning a man gets up, but in the evening he gets supper.—*Yonkers Gazette.*

"Men must work and women weep,
So runs the world away!"

But they need not weep so much if they use Dr. Pierce's "Favorite Prescription," which cures all the painful maladies peculiar to women. Sold by druggists.

*The New Orleans Picayune* has discovered that Arabi Pacha once sold confectionery in that city

Judge W. T. Filley of Pittsfield, this State, was cured of severe rheumatism by St. Jacobs Oil.—*Springfield (Mass.) Republican.*

The New York *Clipper* mourns because Eve did not tell the serpent "Not this Eve, some other Eve."

The *Enquirer* of Cincinnati says: Hon. P. T. Barnum strongly indorses St. Jacobs Oil for pain. His combination and artists all use it.

"That's what beats me," remarked a boy as he passed a pile of shingles.—*Boston Post.*

The huge, drastic, griping, sickening pills are fast being superseded by Dr. Pierce's "Purgative Pellets." Sold by druggists.

Mrs. Chas. Smith, of Jimes, Ohio, writes: I have used every remedy for sick headache I could hear of for the past fifteen years, but Carter's Little Liver Pills did me more good than all the rest.

It is especially adapted for warehouse use. Send for Descriptive Circular and Price List. Liberal discount to dealers. Address
S. FREEMAN & SONS,
RACINE, Wisconsin.

T. T. HAYDOCK,
WHOLESALE
Carriage Manufacturer,
Cor. Plum and 12th Sts.,
CINCINNATI, OHIO.

This firm is now in its sixth year of existence, and the rapid and permanent growth it has made is something unprecedented in the history of carriage building. Its permanancy and growth have been accomplished, not by any special effort at "drumming" the trade, but by the excellency of the work produced, and by the low price at which this work has been sold. Another great feature of its success is in the STYLE of the work produced. It is too often the case that in low priced work the style is correspondingly low or common in appearance. But all goods manufactured by T. T. Haydock, are made in a stylish and artistic manner, thus adding beauty to quality. This firm does not build the lowest grade, nor the lowest priced work in the market by any means, but is making a specialty of a medium grade full leather top buggy at a very low price for the quality; and is offering special inducements to the trade to buy in large quantities. Send for Catalogues and Wholesale Price List, by addressing
T. T. HAYDOCK,
COR. PLUM AND 12TH STS.,
CINCINNATI, OHIO.

GREEN CASTLE GRAIN DRILL
Has a continuous FORCE FEED of rubber, cannot bunch the grain, sows grain evenly, has rubber springs, and will clear all ordinary obstacles. It is built with Detachable Grass Seeder, front or rear,

THE GILPIN SULKY PLOW
WORKS AUTOMATICALLY.
THE SINGLE LEVER SULKY, KING OF THE TURF.
DRAWS LIGHTER THAN THE HAND-PLOW.
OVER 10,000 MADE AND SOLD ANNUALLY.
ALL IRON AND STEEL.

JOHN DEERE MOLINE, ILL. TRADE MARK.
The advent of the Gilpin Sulky Plow marked a new era in plowing in the United States. IT HAS ACHIEVED A SUCCESS more marked than any other implement ever introduced to the Western farmer. Success has always been the test of merit, and in machinery the utmost simplicity consistent with the perfection of its work, is essential. So simple is the Whip as in its operation that the unskilled man can plow well on the smoothest ground and with equally good results.
ONE LEVER ONLY REQUIRED, and that is only used to regulate depth of plowing and to level the plow, as the power is applied out of the ground automatically by the driver's weight.
The frame work is all of Iron—Iron Beam, Iron Wheels; STRONG AND DURABLE IN CONSTRUCTION, and of as light draft on the beam (more so at the driver on an easy seat, where he has full view of work) as any of the best of steel or the ordinary hard plow dirt, the same work.
IT IS SUPERIOR WORK, over the ground, by the ordinary hand plow will pay for cost in a single crop, by reason of its uniform depth plowed, and the broken or unplowed spots, as is often to be found under the ordinary plow, can not be thrown out by hard spots or rank growth of weeds or vines. TWENTY PER CENT. MORE WORK can be accomplished in a day than by any other implement.
